

**Angela Wibbenmeyer**

I have been licensed since August of 2020 and proudly serve buyers and sellers of metro St. Louis! I am recently married, and have a 2 year old. In my free time I enjoy walking my dog, Scooby Doo, doing yoga, and cooking!

In my not-so free time, you can find me showing properties to friends and family, or typing a million miles an hour at the office!

I am a part of the Public Relations committee and serve as an ambassador for new member orientations! I look forward to serving SCCAR in even more ways this coming year!
