JaMeila Moore for Director

In my three years as a REALTOR®, one thing has become undeniably clear to me: our community is at its absolute best when we lift each other up, share ideas, and move forward together. That's why I'm running for the Board of Directors to bring fresh energy, a heart for service, and a real commitment to making a difference for us all.

As a wife and mother of three, that drive isn't just business it's personal. The future we build today shapes the environment our families and clients live in tomorrow. For me, this goes far beyond a job; it's a deep-rooted passion that fuels everything I do.

I believe true leadership takes many forms. It requires vision, empathy, practical solutions, and real action. Over the past few years, I've worked hard to bring those qualities to our association and local community:

- **2024 Graduate**, Leadership Academy
- **2025 Co-Chair & 2026 Chair**, Community Outreach Committee
- **2026 Co-Chair**, Inclusion Advisory Council
- **2026 Ambassador**, St. Charles Community Council

These experiences taught me that real leadership isn't about having the loudest voice in the room. It's about knowing how to listen, looking past immediate obstacles, and finding practical ways forward.

I fundamentally believe that every single agent's voice matters. Uniting our different perspectives with purpose is how we build bridges and drive real, lasting change.

We have such an exciting opportunity ahead to elevate member support, sharpen our professional presence, and deepen our local impact. I don't just see where our association is today, I see the incredible potential of where we can go tomorrow.

Let's lead with purpose, act with unity, and build a lasting legacy together. I would be honored to earn your vote!
