Justin Radle for 2027 President

Introducing Justin, a dedicated REALTOR® with Magnolia Real Estate who brings energy, passion, and expertise to every real estate interaction. For over five years, Justin has been serving buyers and sellers throughout the greater St. Charles and St. Louis areas — and in 2024, he expanded his services to include the Lake of the Ozarks. Throughout his career, he has consistently delivered exceptional results for his clients through a track record of successful transactions, and he is not stopping there.

Beyond helping clients achieve their real estate goals, Justin is deeply invested in strengthening the real estate community at every level. Having successfully completed two terms as Treasurer for St. Charles REALTORS®, where he worked diligently to ensure financial stability and set the association on a strong path for the future, he now serves as President-Elect. Additionally, he serves on the PAC, Government Affairs Committee, Membership Engagement Committee, and as the liaison to the regional Forms Committee. Justin is also a proud graduate of the St. Charles Leadership Academy (Class of 2023).

Justin serves as a State Director with Missouri REALTORS®, sits on the State Finance and Budget Committee, and has regularly attended state business conferences since 2023. He has also attended the annual NAR NXT conferences since 2023 and the annual NAR Legislative meetings since 2024. Deeply committed to advocacy and protecting homeownership rights, Justin is honored to be an RPAC Major Investor for three consecutive years and has pledged to continue that commitment.

Justin’s approach to real estate is guided by integrity, dedication, and a genuine desire to serve — the same values he brings to his leadership roles within the association. Whether he’s helping a client find their perfect home or working behind the scenes to advance the industry, Justin is committed to making a lasting, positive impact.
