*Note: The Designated REALTOR® assessment is as listed plus an amount equal to the REALTOR-ASSOCIATE® dues times the number of salespersons with his/her firm who are not REALTOR® or REALTOR-ASSOCIATE® members (non-member dues).

- Part of your 2023 dues structure includes \$40 that will be set aside by the Missouri REALTORS® to be used for issues activity. These monies will fund an "issues reserve fund" and may be used in the discretion of the Association to promote or oppose issues that affect REALTORS®.
- Your 2023 dues includes a \$45 mandatory assessment by the National Association of REALTORS® for all REALTOR® and REALTOR-Associate® members to fund a nationwide Consumer Advertising campaign (formally known as the Public Awareness Campaign) which includes radio, TV network and cable ads highlighting the value a REALTOR® brings to a transaction and stressing the importance of using a REALTOR®. **Please note that the entire \$35 Consumer Advertising Campaign assessment qualifies as fully deductible.**
- Dues payments are not deductible as charitable contributions for income tax purposes. However, dues payments may be deductible as an ordinary business expense. **It is recommended that you contact your personal tax adviser about business deductions. See deductible portions below.**
- Contributions to RPAC are not deductible for federal income tax purposes. Contributions are voluntary and are used for political purposes. The amounts indicated are merely guidelines and you may contribute more or less than the suggested amounts. The National Association of REALTORS® and its state and local associations will not favor or disadvantage any member because of the amount contributed or a decision not to contribute. You may refuse to contribute without reprisal. Your contribution is split between National RPAC and the State PAC in your state. Contact your State Association or PAC for information about the percentages of your contribution provided to National RPAC and to the State PAC. The National RPAC portion is used to support federal candidates and is charged against your limits under 52 U.S.C. 30116.
- Missouri REALTORS PAC, Inc. may not accept contributions from natural persons who are not United States citizens, foreign governments, foreign corporations that are not registered to do business in Missouri, other state political action committees, candidate committees, political party committees, campaign committees, exploratory committees, or debt service committees. Article VIII, Section 23.3(12) & (16).
- The Tax Reform Act of 1993, as amended by the Tax Cuts and Jobs Act of 2017, requires that the portion of dues attributable to lobbying and political activities at the Local, State and Federal levels of government be considered nondeductible for income tax purposes. Therefore, the 2024 dues paid to local, state and national associations will be nondeductible to the extent of that association's lobbying expenditures on state and federal issues.
