**St. Charles Realtors® Donate \$5,000 to The Care Service, Sts. Joachim & Ann, aiding in services for those facing homelessness and hunger.**

**ST. CHARLES, MISSOURI** – October 2025 - At its October meeting, the St. Charles Realtors® Board of Directors presented a \$5,000 grant to Amy Armour for The Care Service, Sts. Joachim & Ann.

St. Charles Realtors® is a nonprofit, real estate trade association with over 2,000 Realtor® and Affiliate members who serve home buyers and sellers throughout the St. Charles County region. The funds for this grant were made possible by generous member donations to the St. Charles Realtors® Housing Foundation, which was founded in 2015 to preserve and sustain local housing by financially assisting organizations that help those in need find temporary or permanent housing, as well as helping its members who have suffered loss or damage due to manmade or natural disaster. Realtor® President Sarah Bell stated, "Realtors® are community-minded, and housing is what we do. We are delighted to support The Care Service in their mission with this grant, and we value our partnership with them."

The Care Service, Sts. Joachim & Ann has been addressing homelessness and working tirelessly for more than 43 years to help individuals and families facing a housing crisis. Their goal is to provide them with the financial housing assistance, resources and personal support needed to map out a meaningful plan for long-term self-sufficiency and stability.

"The Care Service is so grateful for the continued support from the St. Charles REALTORS® Housing Foundation. This funding will allow our agency to help more families in crisis remain stably housed, as well as provide assistance to families in need of housing," said Pam Struckhoff, executive director of The Care Service. "Our area has a severe shortage of affordable housing, and our agency is working to add more affordable housing to the area—one home at a time."
