St. Charles Realtors® Donate \$2,500 to Support the Work of the Delta Center

ST. CHARLES, MISSOURI – March 19, 2025—The St. Charles Realtors® is proud to support the work of the Delta Center as they work to connect people with disabilities with resources to help them live as independently as possible in their community. Their services include assistance with obtaining durable medical equipment, peer support, veteran services, advocacy and services for the deaf community. The Delta Center provides services throughout the greater St. Louis area and partners with organizations across the county to support the disability community.

The \$2,500 grant, presented to Jim Ruedin, Executive Director for the Delta Center, by St. Charles Realtors® President Sarah Bell at their March Board of Directors meeting, will help the Delta Center purchase a modular ramp and accessibility equipment. This equipment will help provide assistance to people with disabilities who struggle with safe access to their homes.

These funds were made possible by generous donations by Realtor® Members to the St. Charles Realtors® Housing Foundation. St. Charles Realtors® President Sarah Bell added, “Realtors® are community minded and providing homes is what we do. We are thrilled to support the Delta Center.”

As the leading resource for real estate in the area, St. Charles Realtors® is a nonprofit, real estate trade association serving over 2,000 Realtor® and Affiliate members. The Association is dedicated to serving the real estate professionals of St. Charles County and the families and property owners they serve by uniting to advocate for real property rights, delivering educational programs that advance professionalism, connecting members and the community through outreach, and being accountable and transparent to its membership.

In the spirit of service to others, the St. Charles REALTORS® founded the St. Charles REALTORS® Housing Foundation in 2015. The Foundation’s mission is to preserve and sustain housing in the St. Charles County region. The Foundation’s goal is to accomplish its mission by financially assisting those organizations that help those in need find temporary or permanent housing for them and their families, as well as helping its members who have suffered loss or damage to their home from manmade or natural disaster.
