

### **Justin Radle**

Introducing Justin, a dedicated REALTOR® with Magnolia Real Estate and owner of Transactions Today, a contract-to-close service company. Justin began his career in real estate a little over 2 years ago and has been going nonstop since!

Justin quickly saw the need to be involved in the local and state associations. He currently serves as a Director for the St. Charles REALTORS®, where he actively contributes to the growth and development of the real estate industry. He is also a member of the Government Affairs Committee, where he advocates for vital industry issues and private property rights. Justin was also recently appointed to serve on the Finance Committee for the remainder of 2023.

Justin is currently participating in the local 2023 Leadership Academy and was honored to be one of a handful of members chosen for this year's class. Knowing the intricate role that the REALTOR® Party plays within our community, he is very proud to have pledged to be an RPAC Sterling R Major Investor this year.

Justin believes in operating his business with the highest level of integrity and wishes to serve our association with the same values and principles.
