

Justin Radle for Treasurer

Introducing Justin, a dedicated REALTOR® with Magnolia Real Estate. Justin has been in the real estate industry for a little over 3 years and has been going nonstop the entire time!

Justin quickly saw the need to be involved in the local, state and national associations. He currently serves as Treasurer for the St. Charles REALTORS®, where he works to maintain the financial stability of our association and ensures our association is making the best fiscal decisions. He is also a member of the PAC, Government Affairs Committee and Leadership Development Committee. Justin is currently serving as a state director with Missouri Realtors as well.

Justin proudly graduated from the local Leadership Academy in 2023. Knowing the intricate role that the REALTOR® Party plays within our community, he is very proud to have pledged to be an RPAC Sterling R Major Investor for the second year in a row.

Justin believes in operating his business with the highest level of integrity and wishes to serve our association with the same values and principles.
